**“IF YOU DON'T CALL
YOURSELF FAMOUS,
WHO WILL?”**

-LLOYD MARTIN, FOUNDER

Jim Martin, executive board chair and son of the company's founders, says his father Lloyd used to say this about our potato roll business.

“Of course, Dad would say it with a chuckle, since at that time we were just a local brand. Yet now that people recognize our brand all around the world, and we see how excited folks are about our products, we feel very honored and humbled that our rolls are indeed 'famous.' We're blessed to be able to provide bread and rolls that give people such enjoyment.”

From selling products in local farmer's markets in Central Pennsylvania to having regional, national, and international distribution models, Martin's® Famous Potato Rolls and Bread has indeed become “famous.”
