What our partners say!

"We use Martin's Potato Rolls because they've become part of the White Manna story—soft, golden, and just sweet enough, they hold more than just our sliders...they're part of our history. Every bite feels like home."

—White Manna

"For America's favorite chicken, only the most premium bun will do. Martin's world famous potato roll compliments our fresh, never frozen chicken perfectly for a pairing that simply can't be beat!"

— Super Chix

"Martin's Potato Rolls are the softest, best-tasting roll out there! Not only are they soft but they keep their hold with our heavy smoked meats. We use them for all of our BBQ sandwiches."

—Terry Black's BBQ

"For the perfect burger you need to have the right bun. The bun has to be the right ratio to the burger, can't be too big or too dense. It should be stable yet soft and squishy. The best bun in all the land – Martin's Potato Rolls."

—Pig Beach
